

# The IEEE Open Journal of Intelligent Transportation Systems 2020 Best Paper Award

is presented to

Johannes V. S. Busch, Vincent Latzko, Martin Reisslein and Frank H. P.  
Fitzek

for their paper entitled

Optimised Traffic Light Management Through Reinforcement Learning:  
Traffic State Agnostic Agent vs. Holistic Agent with Current V2I Traffic  
State Knowledge

Bart van Arem  
Editor in Chief  
IEEE Open Journal of Intelligent  
Transportation Systems

Shunsuke Kamijo  
Vice President – Publications  
IEEE Intelligent Transportation Systems Society
